Two Best friends that grew up together all of their lives, Denise and Mercedes end up taking two different paths in life. Denise has so much going for herself and chooses her career and money over the streets. Mercedes is just the opposite; she has always been a street ride or die chick. She has always kept Denise up to date on what goes on when it came to the streets. Mercedes loves the street life and other people's money. Mercedes is so in love with the fast life in the streets that she doesn't even have time for her daughter Diamond. She has paid so little attention to her that she never noticed that Diamond was another Mercedes in the making. Fate takes all three of them on a ride called life. Will they be strong enough to survive?
