

Learning in Early Childhood: A Whole Child Approach from Birth to 8, 2011, 264 pages, Pat Beckley, 1849204055, 9781849204057, SAGE Publications, 2011

By explaining the theoretical context and highlighting relevant research evidence, this book supports a whole child approach to learning in the early years. Drawing on case studies from a wide range of early years settings, the chapters consider how the different professions in education, health and social care can work together to achieve the best possible outcomes for all young children.
