Twenty-three years ago, while the author was white water river rafting, she drowned--& had a Near-Death Experience. She went out of her body & into a tunnel, traveling at a high rate of speed going towards a bright light. She was joined by a loving Being of Light, who took her into the light & to a heavenly city, where she was told she had to go back & given information that would help her accomplish her mission on earth. She was told that she would forget it all until the time was right & was returned to her body in the river. Her mission is to help humanity overcome fear of death, & in her book, she reveals the ancient mysteries about the process of dying, the spiritual opportunities death offers, & how we can prepare ourselves before we die to gain liberation from the cycle of life, death & rebirth. This eclectic perspective on death appeals to a wide readership as the author demystifies esoteric terms & deathbed visions. Seekers of Ultimate Life Foundation, Inc., P.O.
